

## ASSUMPTION OLD CHURCH RESORATION PROJECT

*"Finally, brothers, rejoice. Aim for restoration, comfort one another, agree with one another, live in peace; and the God of love and peace will be with you."- Corinthians 13:11*

Dear Parishioners,

This past June 2017, the Parish Council approved a restoration project to be done on the "Old Church." The project was approved to be done using donations and help from volunteers doing the work to restore our little old church. Phase I is restoring the church hall and so far \$4,600 has been raised!!!

If anyone would like to make a donation toward the "Old Church Restoration Project" or would like to volunteer their time and talents or have any questions, please contact the church office 631-473-0894 or Christos Raptis 631-926-9444.

For our new community members, the little old church was built by faithful devoted families, volunteers and neighborhood community organizations in 1959. It was where we had our first Greek School in the basement with one teacher teaching the children. There is a lot of wonderful history and memories of the little old church and I ask you to visit our website and read about the history and about our community. <http://www.kimisis.org/about-us/church-history>
