GOYA GOYA ZERO TOLERANCE FOR DRUGS AND ALCOHOL

The GOCA GOYA hereby adopts a "Zero Tolerance" policy for drug and alcohol use for the members of the organization during any meeting, sporting event, Greek Festival, Church dances, or any other event scheduled or sponsored by the GOCA GOYA.

This policy will apply to any member who is observed using non-prescription drugs or alcohol or any members displaying the after effects of alcohol or drug use. This will include any member who is considered "under the influence" of alcohol or drugs or impaired in any way by the consumption of drugs or alcohol as determined by any two-GOYA Advisors or one Advisor and a Clergy Member. This policy will also apply to any individual or individuals who are in possession of any alcohol or drugs or facilitated their distribution in any way to GOYA members or nonmembers at any of the above described GOYA sponsored events even if said individuals did not consume any of what was distributed.

In the event a member is being treated by a physician and is in need of prescription medications written for their individual consumption which may impair them in any way then it will be the responsibility of the member's parent to notify the Goya Advisor, in advance of any event, that such medications are necessary and what the potential implications may be. Failure to notify a Goya Advisor in advance of any event will subject the member to the same discipline listed below without exception.

In the event a member is considered under the influence of drugs or alcohol or is observed consuming or at any point immediately before or during a sponsored event is in possession of drugs or alcohol then the following mandatory disciplinary procedures will apply:

- -The member will be immediately removed from the event; parents will be notified and requested to the location to take their child home.
- -The member will be suspended from all GOYA activities for the remainder of the ecclesiastical year.
- -In the event the severity of the drug and or alcohol use or distribution is so pervasive that Priest and the GOYA Advisory Board, in the majority, determines permanent expulsion from the organization is necessary, then it may act to do so at any regular or Special meeting called by the Priest.

The GOYA Advisory Board embraces the assistance of every parent and GOYA member to ensure that all sponsored events are free from drugs and alcohol. It is the Priest's and the Board's intention to keep all the kids safe and in a healthy spiritual environment.

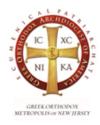

The below pledge which must be signed by the Goya member and their parent. This will serve as an affirmation of the above principles and policy and ensure that all members and parents are in agreement with and will work toward a true policy of Zero Tolerance.

We the undersigned do hereby pledge t	to abide by the above policy and all rules o	of the GOCA GOYA and we
understand that any infractions or viola	tions of the above policy will result in the	mandatory discipline outlined
above without exception.
